

**ACCREDITATION COUNCIL FOR PHARMACY EDUCATION**  
**REPORT OF PROCEEDINGS – JANUARY 20-24, 2010 MEETING**

**I. Election of ACPE Officers for 2010-2011**

Officers for the January 25, 2010 – January 23, 2011 year, elected by a unanimous vote of the ACPE Board of Directors during the January 20-24, 2010 meeting, are as follows: President – Heidi M. Anderson, PhD, Associate Provost for Faculty Affairs, University of Kentucky; Vice President – Robert S. Beardsley, RPh, PhD, Professor, Pharmaceutical Health Services Research, University of Maryland School of Pharmacy; Secretary-Treasurer – Michael A Moné, RPh, JD, FAPhA, Vice President Anti-Diversion & Supply, Chain Integrity & Sr., Regulatory Counsel, Healthcare Supply Chain Services, Cardinal Health. Outgoing officers: President William A. Gouveia, MS, FASHP, Adjunct Clinical Professor, School of Pharmacy, Northeastern University, Boston, MA; and Secretary-Treasurer – Donald H. Williams, RPh, FASHP, retired Executive Director, Washington State Board of Pharmacy. Gouveia and Williams were thanked for their meritorious service as officers of ACPE.

**II. Public Interest Panel Review of Professional Degree Programs** The ACPE Public Interest Panel met on January 11, 2010, to discuss the professional programs scheduled for review by the ACPE Board of Directors during its January 20-24, 2010. Evaluation team reports and other materials associated with the evaluation of the professional degree programs were duly considered. The Board considered the comments and recommendations of the Panel. Panel members who attended the meeting were: Erin Keyser Norton, James Hall and Michael A. Diamond.

**III. Strategic Planning**

The 2009 Strategic Plan was discussed and actions addressed by the Board and staff on January 23-24, 2010.

**IV. Accreditation Actions for Professional Degree Programs, taken at the ACPE Board of Directors Meeting, January 20-24, 2010:** A list of accredited professional degree programs of colleges and schools of pharmacy, which designates the respective accreditation status of the programs and the academic year for the next currently scheduled evaluation, is posted on the ACPE web site at [www.acpe-accredit.org](http://www.acpe-accredit.org).

**Accreditation Actions**

On the basis of self-studies, on-site evaluations, communications received from the institutions, ongoing review of North American Pharmacist Licensure Examination (NAPLEX) passing rates and entry class size, and the comments of the Public Interest

Panel, the Board of Directors determined the accreditation status of the following professional programs, along with accreditation terms and conditions.

In order to be eligible for initial or continuing accreditation, the Doctor of Pharmacy program must be part of an independent College or School of Pharmacy or a College or School of Pharmacy within a University, which is regularly incorporated and is a legally empowered postsecondary educational institution. The institution housing the College or School, or the independent College or School, must be accredited by a regional/institutional accreditation agency recognized by the U.S. Department of Education or another agency acceptable to the Accreditation Council for Pharmacy Education (ACPE). Accreditation standards call for a College or School of Pharmacy as an organizational unit and the administrative structure of the College or School of Pharmacy must provide for a Dean, who serves as the chief administrative and academic officer. Evaluation for purposes of initial or continued accreditation requires an invitation by the chief executive officer, or designate, of the institution.

An action to “affirm” implies that a previously established accreditation term has been confirmed. An action to “continue” implies that the accreditation date has been extended. The customary cycle of review for established accredited programs is six years, while the customary review cycle for new programs achieving initial accreditation status is two years. The dates indicated in parentheses for each College or School are the academic year of the most recent determination of accreditation status and the academic year of the next scheduled determination of accreditation status, and thus define the present accreditation term for the Doctor of Pharmacy program.

The accreditation actions are as follows:

**For Purposes of Considering Continued Accreditation Status**

**Campbell University School of Pharmacy**

### **Review of Programs with Substantive Change and other requests**

Substantive change notifications from the following colleges/schools were received (action, if any, noted in bold and parentheses): Campbell University School of Pharmacy; Chicago State University College of Pharmacy; and University of Illinois at Chicago College of Pharmacy.

### **Focused On-site Evaluation Visits**

Board and Staff focused on-site evaluation visits are authorized when the Board is desirous of additional on-site monitoring to evaluate various programmatic issues. An action to “affirm” implies that a previously established accreditation term has been confirmed. An action to “continue” implies that the accreditation date has been extended, usually to reestablish the customary six-year cycle.

#### **Albany College of Pharmacy and Health Sciences**

Doctor of Pharmacy Program: accreditation was affirmed. (2004-2005; 2010-2011)

#### **Florida A&M University College of Pharmacy and Pharmaceutical Sciences**

#### **Texas Southern University College of Pharmacy**

Doctor of Pharmacy Program: accreditation was continued. (2009-2010; 2011-2012)

V. **Accreditation Actions for Providers of Continuing Pharmacy Education**

ACPE Board of Directors accepted the report of the ACPE Continuing Pharmacy Education Commission at the January 2010 meeting.

**Accreditation of New Applications**

Organizations seeking ACPE-accredited provider status are asked to submit an Application for Initial Accreditation. This application asks questions regarding the applicant's experience relative to areas addressed by ACPE's Standards for Continuing Pharmacy Education. Initial terms of accreditation are usually for two years with a First Review in one year, fall 2010, and a Second Review, fall 2011, in two years.

Four applications for Initial Accreditation were reviewed and accredited: David Begg Associates, LLC; Humana, Inc.; Palm Beach Atlantic University; and Sullivan University College of Pharmacy

One application for Initial Accreditation was reviewed and not accredited: Cigna Tel-Drug

**Submission of First Review by Applicants Initially Accredited in Fall 2008**

Seven applicants submitted first reviews (next review date is included in parentheses), including:

Gannett Education (fall 2010); Gateway International, LLC (fall 2010); Karmanos Cancer Center (fall 2010); MedEDirect, LLC (fall 2010); Memorial Hermann (fall 2010); Southeastern Continuing Medical Education Consultants, LLC (fall 2010); and Union University School of Pharmacy (fall 2010)

**Submission of Second Review by Applicants Initially Accredited in Fall 2007**

Eight applicants submitted second reviews (next review date is included in parentheses), including:

Cook Children's Medical Center (fall 2013); Cross Country Education, LLC (fall 2013); Institute for Brain Potential (fall 2013); Institute for Post Graduate Continuing Education (fall 2013); Mad ID, Inc. (fall 2013); Primary Care Education Consortium (fall 2013); Select CE (fall 2013); and University Health System Department of Pharmacy (fall 2013)

**Consideration for Continued Accreditation on the Basis of Comprehensive Reviews**

The submitted Self-Assessment Report undergoes both a Commissioner review, an internal (ACPE staff) review, an external (Field reviewer) review, a review of all records including correspondence, Activity Description Forms (ADFs), if any, a conference call with the provider and the reviewers, complaints and third party comments. The Comprehensive Review for Continued Accreditation provides the basis for the Council's action to continue the provider's term of accreditation. The standard term of accreditation is six years.

Comprehensive Reviews from twelve providers were considered and acted upon. The next Comprehensive Review for the following is fall 2015 and they include:

American Society of Health-System Pharmacists; Emory University Hospital Department of Pharmaceutical Services; Medical Education Resources, Inc.; New York Presbyterian Hospital Department of Pharmacy; Northeastern University Bouve College of Health Sciences School of Pharmacy; Philadelphia College of Pharmacy; South Dakota State University College of Pharmacy; National Pharmacy Technician Association (NPTA); University of Georgia College of Pharmacy; University of Mississippi School of Pharmacy; University of the Pacific, Thomas J. Long School of Pharmacy and Health Sciences; and W-F Professional Associates, Inc.

The reviews of the following six Comprehensive Reviews resulted in shortened terms (Progress Report fall 2010);

The CE Solution, Inc.; The Center for Professional Advancement; Lehigh Valley Hospital Pharmacy Department; The Medical Letter, Inc.; Michigan Pharmacists Association; and University of Houston College of Pharmacy

#### **Consideration for Continued Accreditation on the Basis of Progress Reports**

Providers who have a shortened term of accreditation of one year are asked to submit a Progress Report. A Progress Report addresses only those issues that remain a concern following the previous Comprehensive Review or Interim Report. However, because the provider has been given a shortened term of accreditation, the Progress Report, like the Comprehensive Review, serves as the basis for the Board to act to continue recognition as an accredited provider.

Progress reports submitted by twelve providers were considered and acted upon by the Board. They are (next review date is included in parentheses):

American Association of Diabetes Educators (fall 2014); Bayfront Medical Center (fall 2014); Cine-Med, Inc. (spring 2011); European Association of Hospital Pharmacists (EAHP) (fall 2013); George Washington University Hospital Department of Pharmacy (fall 2014); Lee Memorial Health System (fall 2014); Missouri Pharmacy Association (fall 2014); National Community Pharmacists Association (fall 2013); Nebraska Council for Continuing Pharmaceutical Education, Inc. (fall 2014); New Jersey Pharmacists Association (fall 2014); The Ohio State University College of Pharmacy (fall 2012); and Rutgers University Ernest Mario School of Pharmacy (fall 2014)

The review of the following Progress Report resulted in a shortened term. It is (next review date is included in parentheses):

University of Texas - El Paso (fall 2010)

#### **Consideration for Continued Accreditation on the Basis of Interim Reports**

All providers with a standard term of accreditation of six years are asked to submit an Interim Report, usually in two or three years. The Interim Report serves as an update on specific issues that were identified in the provider's Comprehensive Review. Actions include affirm status and terms and determine additional reporting as needed or modify

previously established terms and determine new reporting requirements. Interim reports submitted by fifty four providers were considered and acted upon by the Board. They included (next Comprehensive Review date is included in parentheses):

Alabama Pharmacy Association Research & Education Foundation (fall 2013); Alabama Society of Health-System Pharmacists (spring 2013); Alaska Pharmacists Association (fall 2012); Albany College of Pharmacy (spring 2012); Albertson's, Inc. (fall 2013); American Society for Clinical Pharmacology and Therapeutics (fall 2012); American Society for Parenteral and Enteral Nutrition, Inc. (fall 2014); Auburn University Harrison School of Pharmacy (fall 2013); Barnett International (fall 2013); CMEsolutions (fall 2013); Comprehensive Pharmacy Services, Inc. (fall 2010); education | outcomes | science (fall 2012); Fisher BioServices, Inc. (spring 2012); Florida Pharmacy Association (fall 2014); Health Insights (fall 2010); Hematology/Oncology Pharmacy Association (HOPA) (fall 2012); Henry Ford Health System (fall 2013); Institute for Healthcare Improvement (fall 2013); Institute for Natural Resources (INR) (fall 2014); King's Daughters' Medical Center (fall 2014); LearnSomething, Inc. (fall 2014); Louisiana State University Health Sciences Center-Shreveport (fall 2012); Minnesota Pharmacists Association (fall 2010); NACDS Foundation (spring 2013); National Association of Boards of Pharmacy and NABP Foundation, Inc. (fall 2013); New York State Council of Health-System Pharmacists (fall 2013); Oregon State University (fall 2011); Penn State Milton S. Hershey Medical Center (fall 2014); PharmaCE (fall 2013); Pharmaceutical Education & Research Institute, Inc. (PERI) (fall 2012); Pharmacy Society of Wisconsin (fall 2013); Pharmacy Times Office of Continuing Professional Education (spring 2014); PharmCon, Inc. (fall 2013); Purdue University School of Pharmacy and Pharmaceutical Sciences (fall 2012); Quest Educational Services, Inc. (fall 2011); Saudi Pharmaceutical Society c/o King Saud University College of Pharmacy (fall 2012); Society of Critical Care Medicine (spring 2015); South Carolina Pharmacy Association (fall 2012); Stony Brook University Medical Center (fall 2012); Syntaxx Communications, Inc. (fall 2014); Texas Pharmacy Association (spring 2013); Tufts University School of Medicine, Office of Continuing Education (fall 2012); University of Findlay School of Pharmacy (fall 2011); University of Kansas School of Pharmacy (fall 2012); University of Michigan College of Pharmacy (fall 2014); University of Rhode Island College of Pharmacy (fall 2014); Utah Pharmacists Association (fall 2013); Vanderbilt University Hospital Department of Pharmaceutical Services (fall 2012); Virginia Pharmaceutical Association (fall 2013); Walgreens Health Initiatives (fall 2012); Washington Hospital Center (fall 2014); William Beaumont Hospital Department of Pharmaceutical Services (fall 2013); Wingate University School of Pharmacy (fall 2010); and Xavier University of Louisiana College of Pharmacy (fall 2012)

The reviews of the following two Interim reports resulted in shortened terms. They are (next review date is included in parentheses):

Adheris, Inc. (fall 2010); COJM International Services Inc. (fall 2010)

### **Discontinuation of Accreditation Provider Status**

The ACPE-accredited provider status of sixteen providers was discontinued based on their request for withdrawal. They included:

Academy for Healthcare Education; AHC Media, LLC; Association of Clinical Research Professionals; Cambria Somerset Council for Education of Health Professionals, Inc.; CME, LLC; East Tennessee State University; ELF Publications, Inc.; Managed Market Research; MEBN; Medical Education Collaborative, Inc.; Parkland Health & Hospital System; Pennwell; Prescriptions Solutions; Rite AID Corporation; Sanford School of Medicine; and Tripartite Committee on Continuing Education for Pharmacists in Wyoming

The following ACPE-accredited provider status was withdrawn:  
Resource Optimization & Innovation
