## Accreditation Fees for Continuing Pharmacy Education (CPE) Provider Accreditation Program

Fees for evaluation by ACPE for purpose of initial accreditation or sustaining accreditation are set at a level intended to assist in the support and continued improvement of accreditation services. Sustaining or annual fees is based on a calculation: number of continuing education units (CEUs) of a CPE activity multiplied by the number of participants receiving ACPE credit. The product is the Educational Service Unit (ESU). The sum of the ESUs of the CPE activities for each provider is categorized into a level. ACPE may adjust the fees and set effective dates for such adjustments at any regular or special meeting of ACPE. Please email [ceinfo@acpe-accredit.org](mailto:ceinfo@acpe-accredit.org) with any questions.
