

Richard Artymowicz, Pharm.D., MBA, FCCP, BCPS

Biographical Sketch

Dr. Artymowicz received his Bachelor of Science in Pharmacy from the Philadelphia College of Pharmacy and Science, his Doctor of Pharmacy Degree from the Medical University of South Carolina, and a Masters in Business Administration from Rutgers University. He completed a Pharmacy Practice Residency at the Memorial Hospital of Easton, Maryland under Dr. Thomas Sisca and he's been boarded in Pharmacotherapy since 1994. Richard has spent his entire 25 year post-training career at Cape Regional Medical Center in Cape May Court House, NJ. He served as the Pharmacy Clinical Coordinator from 1994-2006, and has served as Director of Pharmacy since 2006. Since 2013, Dr. Artymowicz has also served as Administrative Director to various other clinical departments within the Medical Center. In addition to several publications, and numerous poster presentations, Richard has served on ACCP committees, and was the Continuing Education Administrator for the New Jersey Society of Health Systems Pharmacists for 10 years. Most recently, Dr. Artymowicz completed a six year term as a Commissioner on ACPE's Continuing Education Commission. He served as chair during 2015. His clinical interests include infectious diseases, critical care, and clinical administration. With regard to continuing education, Richard has special interest in expanding technician continuing education.
