

**Trina von Waldner, PharmD**

## Biographical Sketch

Trina von Waldner received her Bachelor of Science in Pharmacy in 1986 and doctor of Pharmacy in 2001. She practiced hospital pharmacy for 15 years before accepting a position with public health as director of pharmacy and emergency preparedness. Dr. von Waldner joined the faculty of the UGA College of Pharmacy in July of 2007 and serves as the Director of Continuing Professional Development and Outreach. Her duties include development and tracking of co-curricular activities for pharmacy students. She develops and delivers continuing education programs for pharmacists, technicians and other health professionals. She also teaches Ethics and Professional Development, Public Health and Disaster Preparedness to pharmacy students. Dr. von Waldner is a member of the American Association of Colleges of Pharmacy, American Public Health Association, Georgia Society of Health-System Pharmacists, the Georgia Mountain Medical Reserve Corps and the Georgia 3 Federal Disaster Medical Assistance Team.
