What have we done?

The CE team has hosted a series of webinars since October of 2020 that covered:

1. **CPE Monitor update and error rates**  
   - Overview of how CPE Monitor works, credit submission, policies and procedures, common errors and how to avoid them.  
   - Worked with providers to mitigate errors

2. **Jointly Accredited Providers office hours**  
   - Overview of credit submission, CE activity creation, common errors and how to avoid them

3. **ACPE Accredited Providers office hours**  
   - Overview of technology platforms, credit submission, common errors and how to avoid them.

4. **Web Service Integration**  
   - Overview of each type of web service that is available for credit submission

The webinars can be found [here](link).
What have we done?

5. **1-on-1 meetings**
   - We held meetings with providers to come up with an efficient and effective plan to lower error rates.

6. **Implemented ePID Validation for providers using web services**
   - [ePID Validation Information](#)

7. **Updated CPE Monitor Dashboard**
   - We now show error rates and error types.

New CPE Monitor Logo

We (NABP) have developed marketing assets for use by ACPE-accredited providers wishing to market their participation in the CPE Monitor program in promotional, advertising, instructional, and/or reference materials. ACPE-accredited providers may use the CPE Monitor logo in a variety of printed and electronic materials. Below is a listing of approved uses:

- Provider website
- Printed promotional materials such as brochures
- Printed patient educational materials
- Newsletters
- Exhibition booth(s) and materials
- Advertisements
- Video promotion B-roll footage
- Newspapers and magazines
- Educational presentations

- New Logo Guidelines
- More information regarding the new logo
- Contact the NABP Marketing Department at marketing@nabp.pharmacy if you have any questions
Provider Web Tool Changes (Planned for Q3)

Revised Definition for Topic Designator 04:
Pharmacy Administration - activities that address topics relevant to the practice of pharmacy that include the economic, legal, administrative and managerial aspects of pharmacy practice and health care.

99: Additional Topic Areas:
