

Accreditation Fees for Colleges and Schools of Pharmacy Accreditation Fees and assessments for evaluation by ACPE for purpose of preaccreditation or accreditation (initial or continuing) are set at a level intended to assist in the support and continued improvement of accreditation services and to defray actual travel and other costs involved in the evaluation of professional programs. In addition, an annual sustaining fee is charged. ACPE may adjust the fees and set effective dates for such adjustments at any regular or special meeting of ACPE. Information regarding the current fee and assessment policy is available upon request. Please email csinfo@acpe-accredit.org for more information.

Full On-Site Evaluations - based on estimated scheduled evaluations/year for up to five team members. Customary schedule: every 8 years, includes all travel expenses (airfare, hotels, etc.) for evaluation teams. New schools are visited approximately every two years in their formative stages and charged the prevailing full on-site fee on each occasion.

Focused On-Site Evaluations - additional monitoring visits, scheduled infrequently, by a Board member and a staff member, based on programmatic concerns.

On-Site Staff Consultation - on-site staff assistance in preparation of Self-study or information about applying to ACPE (optional).

New Program Application - request for initial review by ACPE and an on-site staff consultation.
