

## American College of Apothecaries

### Professional Association

By supporting healthcare professionals in their learning journeys, our accredited providers are helping to build a healthier future. Today, on Healthcare Continuing Education Professionals Day™, we celebrate the role ACPE-accredited providers play in advancing healthcare!

#CEProfessionalsDay

### WHAT HAS BEEN YOUR PROUDEST ACCOMPLISHMENT AS A CE PROVIDER OR ADMINISTRATOR?

My proudest accomplishment has been improving and organizing our CE program so everything runs smoothly and meets ACPE standards.

### HOW HAS ACCREDITATION HELPED SHAPE THE QUALITY AND IMPACT OF YOUR CE PROGRAMMING?

Overall, it has helped strengthen our program and build trust with the learners who come to us for education.

### WHAT ADVICE WOULD YOU GIVE TO NEW CE PROVIDERS OR ADMINISTRATORS TODAY?

My advice is to take your time learning the ACPE standards and let them guide your process.

### SHARE A MEMORABLE STORY OR EXAMPLE OF HOW YOUR CE PROGRAMMING MADE A DIFFERENCE FOR LEARNERS OR PATIENTS.

One of the moments that stayed with me came after a compounding training session we offered. A pharmacist reached out a few weeks later to let me know that what she learned in our CE helped her identify a problem in her own workflow that she hadn't noticed before.
