

Wilkes University Nesbitt School of Pharmacy

Academic Institution

By supporting healthcare professionals in their learning journeys, our accredited providers are helping to build a healthier future. Today, on Healthcare Continuing Education Professionals Day™, we celebrate the role ACPE-accredited providers play in advancing healthcare!

#CEProfessionalsDay

WHAT HAS BEEN YOUR PROUDEST ACCOMPLISHMENT AS A CE PROVIDER OR ADMINISTRATOR?

Creating the annual Pain & Addiction Summit. The program began in 2018 and we only missed one year, 2020, due to the pandemic. We now have about 150 professionals on campus each April for the event.

WHAT DO YOU SEE AS THE BIGGEST OPPORTUNITY FOR CE IN THE NEXT DECADE?

Accessibility. Technology has played a bigger role since the pandemic, with professionals taking advantage of accessing education from their home or office.

WHAT ADVICE WOULD YOU GIVE TO NEW CE PROVIDERS OR ADMINISTRATORS TODAY?

If possible, attend an in-person CE administrator's workshop. The networking with other providers is almost as important as the learning that occurs in the sessions.

WHAT ROLE HAS CE PLAYED IN ADVANCING YOUR ORGANIZATION'S MISSION IN HEALTH PROFESSIONS EDUCATION?

Our University strives to provide exceptional educational activities. Furthermore, the Nesbitt School of Pharmacy sees itself as an exceptional school which offers innovative educational strategies to its learners.
