

Northeast Kentucky Area Health Education Center

Area Health Education Center

By supporting healthcare professionals in their learning journeys, our accredited providers are helping to build a healthier future. Today, on Healthcare Continuing Education Professionals Day™, we celebrate the role ACPE-accredited providers play in advancing healthcare!

#CEProfessionalsDay

WHAT HAS BEEN YOUR PROUDEST ACCOMPLISHMENT AS A CE PROVIDER OR ADMINISTRATOR?

Being the only AHEC in the nation that is an accredited provider of CPE, and one of only a handful in Kentucky

HOW HAS ACCREDITATION HELPED SHAPE THE QUALITY AND IMPACT OF YOUR CE PROGRAMMING?

Reaching accreditation standards enables our team and our committee to uphold the highest standards of education, as well as providing a diversity of format and content

WHAT ADVICE WOULD YOU GIVE TO NEW CE PROVIDERS OR ADMINISTRATORS TODAY?

Familiarize yourself with the standards, have fun, and don't be afraid to be creative!

SHARE A MEMORABLE STORY OR EXAMPLE OF HOW YOUR CE PROGRAMMING MADE A DIFFERENCE FOR LEARNERS OR PATIENTS.

We created an on-demand library for providers focused on medication-assisted treatment (MAT) for patients suffering from opioid use disorder (OUD). We saw that not only did we help to increase the number of MAT providers in our region, but also that overall overdose deaths declined.
