

University of Wyoming School of Pharmacy

Academic Institution

By supporting healthcare professionals in their learning journeys, our accredited providers are helping to build a healthier future. Today, on Healthcare Continuing Education Professionals Day™, we celebrate the role ACPE-accredited providers play in advancing healthcare!

#CEProfessionalsDay

WHAT HAS BEEN YOUR PROUDEST ACCOMPLISHMENT AS A CE PROVIDER OR ADMINISTRATOR?

For me personally two items:

- 1) Securing accreditation as a provider for UW
- 2) Election of chair for the CE Commission.

HOW HAS ACCREDITATION HELPED SHAPE THE QUALITY AND IMPACT OF YOUR CE PROGRAMMING?

We are able to provide information that are at the highest standard to our faculty and learners. We want to help them reach their goals of practice and patient care.

WHAT ADVICE WOULD YOU GIVE TO NEW CE PROVIDERS OR ADMINISTRATORS TODAY?

Enjoy the opportunity to work with many different people both from the faculty and participant side. I find that pharmacists are more than willing to provide feedback if asked especially if they see that we actually do something with the information they provide to us.

SHARE A MEMORABLE STORY OR EXAMPLE OF HOW YOUR CE PROGRAMMING MADE A DIFFERENCE FOR LEARNERS OR PATIENTS.

Having been in CE for over 40 years, it is the times when attendees say thank you for a program that they felt was excellent.
