Education Company

By supporting healthcare professionals in their learning journeys, our accredited providers are helping to build a healthier future. Today, on Healthcare Continuing Education Professionals Day™, we celebrate the role ACPE-accredited providers play in advancing healthcare!

#CEProfessionalsDay

WHAT HAS BEEN YOUR PROUDEST ACCOMPLISHMENT AS A CE PROVIDER OR ADMINISTRATOR?

My proudest accomplishment has been serving the needs of pharmacists and pharmacy technicians with quality education for several years, and as a result, building long lasting relationships.

WHAT DO YOU SEE AS THE BIGGEST OPPORTUNITY FOR CE IN THE NEXT DECADE?

The biggest opportunity for CE in the next decade will be increased collaborative efforts of pharmacy personnel with other healthcare professionals to provide patient care.

WHAT ADVICE WOULD YOU GIVE TO NEW CE PROVIDERS OR ADMINISTRATORS TODAY?

The advice I would give to new CE providers is to network with other providers who share similar goals, embrace technology, and do not be afraid to contact ACPE staff for guidance.

SHARE A MEMORABLE STORY OR EXAMPLE OF HOW YOUR CE PROGRAMMING MADE A DIFFERENCE FOR LEARNERS OR PATIENTS.

An example would be the positive feedback we often hear from participants about how 'this was the best program I have ever taken' and they are able to apply the information in their practice setting. Another example is the knowledge that participants gain which is reflective on their pre and post tests.
