By supporting healthcare professionals in their learning journeys, our accredited providers are helping to build a healthier future. Today, on Healthcare Continuing Education Professionals Day™, we celebrate the role ACPE-accredited providers play in advancing healthcare!

#CEProfessionalsDay

WHAT HAS BEEN YOUR PROUDEST ACCOMPLISHMENT AS A CE PROVIDER OR ADMINISTRATOR?

Getting full-term accreditation (2025-2031). That was big, and I plan on applying for accreditation with commendation by April.

SHARE A MEMORABLE STORY OR EXAMPLE OF HOW YOUR CE PROGRAMMING MADE A DIFFERENCE FOR LEARNERS OR PATIENTS.

Our KPIC courses are very hands on and highly sought after as they pertain to Sterile Compounding and are both a home study and in-person experiences. It is always a delight to see how much participants gain from attending the course.

WHAT ADVICE WOULD YOU GIVE TO NEW CE PROVIDERS OR ADMINISTRATORS TODAY?

Trust your gut! Ask questions, don't be afraid to ask questions! Look forward and only look back to obtain data and improve your program not to belittle yourself and your accomplishments. Make friends with other CE Administrators and don't be afraid to ask questions.

HOW HAS ACCREDITATION HELPED SHAPE THE QUALITY AND IMPACT OF YOUR CE PROGRAMMING?

We strive to have quality programming regardless if it is Joint Provider or not.
